Work Experience

Frontend Developer Intern

NNPC Limited Towers, Abuja, Nigeria

Collaborated with a team to develop an Internship Application Portal, focusing primarily on frontend development using React.js, Tailwind CSS, and Material UI.

Improved UI designs, enhanced user experience, and optimized the portal for seamless performance and responsiveness.

Web Developer

Aye Table Water, Suleja, Nigeria

Designed and built a custom website using HTML, CSS, and JavaScript to enhance the company's online presence and improve user engagement.
